Library Announcements

We would like to inform you of two important matters:

1. Book Return and Borrowing Schedule

From May 23 to May 28, 2025, all secondary students are required to return any library books they have borrowed. During this period, the library's borrowing service for secondary students will be suspended, while the return service will remain available. We sincerely ask you to remind your children to return their books promptly to avoid any inconvenience.

2. Library Policy on Lost and Damaged Books

To maintain the quality of our library collection, here are the policies regarding lost and damaged books:

Lost Books

If a secondary student loses a library book, they are required to reimburse the library. The reimbursement amount is the current value of the book plus an additional 40% to cover the shipping and customs costs for replacement.

Damaged Books

When secondary students return damaged books, fines will be levied based on the following assessment:

- Minor Repairable Damage: This includes minor damage to the dustcover, a single torn page, pencil marks, or dirty pages/edges. The fine for this type of damage is 10 RMB.
- Significant Repairable Damage: Such as a split binding, torn cover, bite marks, or slight water damage. The fine for this is 25 RMB.
- Non-Usable Damage: For example, major water damage, mold, large spills, severe bite marks, or crayon markings. In this case, the full replacement price of the book must be paid.

Please note that if a secondary student pays the full replacement cost for a damaged book, the damaged item will become their property.

Thank you for your attention and cooperation in helping us maintain a well-organized and functional library.

Career and Sports Week

Our Career & Sports Week have taken place from May 20 to 23! During this special week, students explored various career paths through interactive workshops, learn essential skills for future professional development and participate in sports activities that promote teamwork and leadership. This event is designed to help students discover their interests while developing both career awareness and physical well-being.

Secondary Spring Concert

Secondary music students will perform their final concert of the year on Friday, May 30 at 3:35 pm. All students in middle school and high school music classes will perform. The students have been working hard to learn challenging music and are excited to share with our school community! We hope many parents, staff and classmates can attend.

The concert will take place directly after school from 15:35 - 17:00.
