Little Women: Then and Now

The YIA and YHIS Drama Departments are pleased to present this year's fall play, Little Women: Then and Now, on Friday and Saturday, November 27–28, 2026, at 7:00 pm in the Aihua Theater. Based on the beloved classic Little Women by Louisa May Alcott, this production tells the classic story of the March sisters through the eyes of four modern school girls as they read the book for a school assignment and learn how themes of family, friendship, and love are truly timeless.

We warmly invite the YIA community to join us for an evening of theater and enjoy the hard work and creativity of our student performers.

Interested YIA students will need to choose which date (Friday or Saturday evening) to attend. The musical is free for students, and tickets for staff and the general public are available at 40 RMB through the QR code by Thursday, November 26, or at the door. If you purchase tickets, you will receive your tickets as you enter the theater. Cast members will receive two free tickets each.

Come support our drama students and celebrate their dedication and talent. We look forward to seeing you there!

LifePlus Teacher Conference & Student Career Exploration Days

The annual LifePlus Teacher Conference is scheduled for Thursday-Saturday, November 19-21. While our faculty will be fully engaged in professional training and workshops to deepen their teaching expertise, these two days have also been specially designed for our students as "Career Exploration Days"—a valuable opportunity for them to step beyond the regular classroom and connect with the real world of work.

To provide students with authentic and enriching experiences, our College Counseling team hopes to leverage parent resources to offer diverse career exploration opportunities. If you or your company can provide resources such as social service projects, corporate visits, job shadowing, or industry sharing sessions, we would greatly appreciate your support!

Based on our students' current areas of interest, we especially welcome parent resources in the following fields:

Finance / Banking、Engineering、Business、Pharmaceutical, Food & Health、Media (Other fields are also highly welcome—the more, the better!)

How It Works:
Our College Counselors will match available resources with students' intended majors. For students who have not yet decided on a major, they will be encouraged to form teams based on their personal interests.

We look forward to your strong support as we build a bridge between the campus and the real world for our students!

PTO Christmas Market

The annual PTO Christmas Market is scheduled for Saturday, December 5, at 12:00 pm. This festive gathering brings our school community together to share the warmth and joy of Christmas.

Staff, students, and families are invited to set up a booth—whether selling crafts, hosting games, or offering food, drinks, or secondhand items—for a fee of 70 RMB. Each booth registrant will receive a festive Christmas-themed apron, tablecloth, and hair clip to enjoy during the event. Take part in the Best Booth Competition for a chance to win prizes awarded to the top three booths!
Register for a booth by Friday, November 27 [Click HERE to register]. Booth registrants will randomly draw their booth locations and make payment at the market. All profits from individual booths will go to their respective owners, who may also choose to donate a portion to a school-adopted charity. The PTO will also contribute a significant portion of its fundraising proceeds to the charity.

One of the highlights of the event will be our charity raffle draw. More information will be shared in the coming weeks. Please save the date!

TIANMUN

TIANMUN is a three-day United Nations simulation for G8-12 hosted by Tianjin International School (TIS). Students from schools all over China will work together to develop and debate innovative solutions to current world issues. TIANMUN is scheduled for November 12-14, and this year's theme is Concord through Discourse.

"Shanhai Yi+" Council Exchange Symposium

On November 5, co-organized by YIA&YHIS, the "Shanhai Yi+" Council Exchange Symposium was held on our campus. Representatives from the Development Zone Volunteer Service Federation and various public welfare organizations gathered to explore how to expand authentic and meaningful community service opportunities for our students.

During the visit, our school leadership team toured the guests around the campus and shared YIA's educational philosophy. In the subsequent discussions, participants exchanged insights on community service, public welfare study tours, and volunteer positions, sharing their established projects and volunteer training experience.

The exchange resulted in several preliminary cooperation intentions, building a bridge for our students to engage in high-quality public welfare projects in the future. At YIA, we believe that social responsibility is cultivated through real actions. Moving forward, YIA will continue to deepen these partnerships, guiding students to step into the community and achieve true growth through service and contribution.
