SCHOOL-WIDE NEWS

YIA night student ambassadors play an excellent role

The YIA night on February 25 was eagerly anticipated by the students. Instead of "visiting foreign teachers' home", we gathered all foreign teachers and Chinese instructors to celebrate the "secret room escape" full of mysterious surprises. Brain-burning clues continued to emerge in the cooperation of the students. Make YIA night smooth and fun! Your service spirit and example are influencing and driving every student in YIA to be positive and enterprising!

5th Creative Writing Contest

The fifth annual Creative Writing Contest is scheduled for Saturday, March 22, from 8:30-12:00.

Creative Writing is important because it gives everyone an opportunity to communicate the “human experience.” Through writing, you can reflect on the world around you—the needs, wants, evils, and good in humanity—and express those reflections artistically.

You will have the exciting opportunity to enhance your creative writing skills this year! During the workshop, you will explore a new style of creative writing, and afterward, you will apply what you’ve learned by writing your own masterpiece in the independent writing competition.

If you are interested, please complete the survey ([LINK](#)) by Friday, March 14. Please refer to the detailed schedule of the contest below.

Grab your favorite pen or pencil, get ready, get set...write!
