Mid-Autumn Festival, National Day

The school will be closed from Friday, September 25 to Friday, October 2 for the Mid-Autumn Festival, National Day. We will resume school on Monday, October 5. Have a wonderful time with your family.

Fall Camp

As autumn deepens and the season grows bright. The annual Fall Camp allows students to experience their own self-worth through hands-on participation and gain a clearer understanding of their responsibilities, bringing them new insights and growth each year. May these deep bonds among peers and between students and teachers, along with leadership, a sense of service and responsibility, and resilience, continue to provide an endless source of strength for the children's future studies and lives!

International Day

International Day is our annual tradition of celebrating our diversity and learning about countries at YHIS. This year's International Day is scheduled for Saturday, November 7. Please mark your calendar. More information will be provided closer to the date.

Medication Administration Form

According to the school policy, students are not allowed to carry their own medicines unless they are for emergency conditions such as diabetes or severe allergic reactions.

If parents would like their child to take any medication at school, they can send a small amount, which will be stored in the Nurse Office for their child to use, and they must complete the Medication Administration Permission Form. Any daily or prescription medication to be taken by students during school hours must be clearly labeled with the child's name and be brought to the Nurse Office upon arrival at school. It should be in the original package and be labeled with the name of the medicine and instructions in English. It must also be accompanied by the Medication Administration Permission Form.

It is the responsibility of the student to be aware of the times the medication is to be taken and to go to the Nurse Office at the proper time. The Nurse Office staff will administer medications to students only according to the parent's instruction.

Attendance Policy

Parents should send a message to homeroom teacher by 7:30 am on the day their child will be absent, arrive late, or leave school early. This includes absences for any reason. Please include the specific reason for the absence, late arrival, or early dismissal in the email.

Students should not be sent to school if they have:

1. Severe colds
2. Fever (above 99.86°F/37.7°C)
3. Nausea or vomiting
4. Diarrhea
5. Undetermined rash or spots
6. Lice

Parents should not give medicine in the morning to reduce fever, and then send their child to school.

If a student is sent home with fever, diarrhea, or vomiting, the student may not return to school the next day.

Students may return to school:

- Nasal discharge or phlegm is clear
- No fever for 24 hours (no medication to reduce fever for 24 hours)
- Has not vomited or had diarrhea for 24 hours

Talent Show Auditions

Our students will have the opportunity to showcase their talents in the theater this October. Selected students will be invited to perform in the final show. To participate, students will need to submit a registration form and an audition video.

Applications have been opened. We look forward to celebrating the wide variety of talents in our school community!

- Show Date: Wednesday, October 28 at 15:00
- Registration: Students must submit a registration form to Ms. Figueroa by Friday, October 9.
- Registration Forms: Available by the end of this week outside the music room (Room 420).
- Audition Results: Wednesday, October 14
- Dress Rehearsal: Monday, October 26 after school (to be confirmed).

For any questions, please contact Ms. Figueroa at constanza.figueroa@yhischina.com or Ms. Ma at angela.ma@yhischina.com.

Dormitory Fire Safety Drill

On the evening of September 17, an emergency evacuation drill was organized for students in the dormitories, conducted separately for the male and female dormitories. During the drill, students followed the instructions of duty teachers and dormitory staff, familiarized themselves with evacuation routes, and evacuated in an orderly manner to the designated assembly point. The drill enhanced students' safety awareness and improved their emergency response and self-rescue abilities.
